Patient Support Program

Where treat*me*nt starts
with how we treat you.

 **Brukinsa**™
zanubrutinib 80mg
capsules

To meet your individual needs, myBeiGene pairs you with a dedicated Oncology Nurse Advocate who will personalize support for you and your caregivers.

The Oncology Nurse Advocates have extensive experience working with and supporting cancer patients.

Complete Commitment

Simplify access to BRUKINSA™ (zanubrutinib)

We want you to focus on your treatment and living your life. Your Oncology Nurse Advocate will help support you in navigating insurance coverage and co-pay assistance.

Educate about BRUKINSA

Along with your healthcare team, your Oncology Nurse Advocate can help answer questions you may have about treatment with BRUKINSA.

Provide personalized solutions

Living well with cancer takes support and your Oncology Nurse Advocate can connect you and your caregivers to a wealth of resources, such as organizations that offer one-on-one assistance from a licensed clinical social worker and transportation to appointments.

Complementary Personalization

Your Oncology Nurse Advocate will partner with you and your healthcare team to help address any challenges you may encounter during your treatment, including finding and connecting you to resources based on your specific situation.

Based on your personal preferences, your Oncology Nurse Advocate will check in with you periodically to ensure that you always have the support you need.

**You and your
caregivers will
receive support
during your
treatment with
BRUKINSA**

Instrumental Support

No matter the questions you have during treatment, myBeiGene will provide answers or work to connect you with a resource who can.

I'm feeling anxious and overwhelmed.
Is there someone I can talk with?

I need help getting to my medical
appointments. Do you know of a service
that can assist me?

I don't know what a specialty
pharmacy is. Do I have to do
something special?

We're Here for You
